

Sun GIF Solutions Sun KBI Sustainable Infrastructure Private Pool Investment Series 0

Key reasons to invest

- Provides long-term capital appreciation by investing in companies that own or operate sustainable infrastructure assets, or benefit from the development of sustainable infrastructure assets.
- Follows an active, forward looking, investment approach focusing on sustainable infrastructure assets that include clean energy, water treatment, and food storage.
- Provides exposure to a stable, predictable, income stream by investing in income-generating sustainable infrastructure assets that also offer a hedge against inflation.
- Invests predominantly domestically.
- KBI Global Investors, a Dublin based specialist investment management boutique, has been managing sustainability-focused strategies for more than three decades.
